

LAKE WINNIPEG INDIGENOUS COLLECTIVE

2020

[Wat-er You-th Learning about Lake Winnipeg - Contest](#)

Who Can enter: Youth under the age of 25.

Why enter: Lake Winnipeg is home to many people and species. As a collective we all have a voice in the protection of the life blood of Mother Earth. The more we know about our relatives the more we come to appreciate their place along side us in this fight for our water.

How to enter: Submit a video with at **least** 4 facts of each western scientific information and Indigenous knowledge on ONE of our relatives (Cedar, Moose, Geese, Pickerel etc.) that calls Lake Winnipeg home. This would require some research (There is a space on registration to source...

[COVID-19 Statement](#)

In response to the current COVID-19 pandemic, the Lake Winnipeg Indigenous Collective remains committed to the health and safety of our communities, employees and supporters.

The collective will be following recommendations from the World Health Organization and the province of Manitoba by postponing all in person meetings, presentations and community visits until further notice. We will be working from home and are available by email or phone. We do anticipate some disruption in response times, but will respond as soon as we are able.

We are reminded in times like these that many...
